## 逃げたヒツジの捕まえ方 ①

*How to catch a runaway sheep 1*

**Idiot, when  
will you finally  
submit the  
article?!**

A black and white manga panel showing a man in a light-colored shirt and trousers standing on a rooftop. He has his hands on his head and is shouting. In the background, there is a cityscape with a bridge and some trees. The sky is filled with dramatic, radiating lines.

**I TOLD YOU  
TO WAIT A  
BIT... MORE!!**

A black and white manga panel showing a close-up of a man with dark hair, looking distressed with his hands clasped in front of him. He has a pained expression on his face. A speech bubble is coming from him.

**Science**

A black and white manga panel showing a building with a sign that says "Science". The building has a modern, multi-story design with large windows.

**Wait, wait,  
wait... How long  
do you want us  
to wait?**

**Our  
department  
can't afford to  
keep a dog that  
can't hunt!!**

RETURN  
TO THE IN-  
FORMATION  
CENTER  
RIGHT  
AWAY!

PLEASE  
WAIT A  
BIT!!

Wait-

Emm,  
uh...

Listen!

IF YOU  
DON'T BRING  
ME SOMETHING  
RIGHT NOW  
YOU'RE OFF  
THE TEAM!

They're at  
it again,  
huh?

Whisper

DR. ELI  
SAFFORD...  
YES.

THE ONE WHO  
SOLVED MATHE-  
MATICS WORLD'S  
CENTURY-OLD  
PROBLEM, THE  
"ALICE CON-  
JECTURE".

WHAT  
DO YOU  
SAY?

Gulp...

I FINALLY  
FOUND HIS  
LOCATION!!

OH-

YOU  
KNOW  
WHO I  
MEAN?

DON'T YOU  
WANT TO GET A  
ONE-OF-A-KIND  
INTERVIEW?

*smirk*

**SLAM**

**OPEN**

HE TOLD  
ME TO GET  
IT NO MAT-  
TER WHAT!

**TAP!**

What?

YOU  
LEAKED  
THE INFO!?

I  
ONLY  
MEN-  
TIONED  
THE  
NAME.

There is not much known about professor Eli Y. Stafford.

out of nowhere, he published a paper on the Mathematics Research Academic Society's web forum.

A few years later,

His latest academic record states that he pursued genetic research at the University of Medicine and published several papers on recessive genes and genetic diseases.

The « Alice Conjecture »

However, he's never shown his face to anyone, no one knows where he lives...

and he only answers to questions posted on-line.

Since it was a mathematical perplexity with a million-dollar reward, it became a hot topic.

He's a genius mathematician...

DRINK...

THEN THROW UP...

OH, GOOD...!!

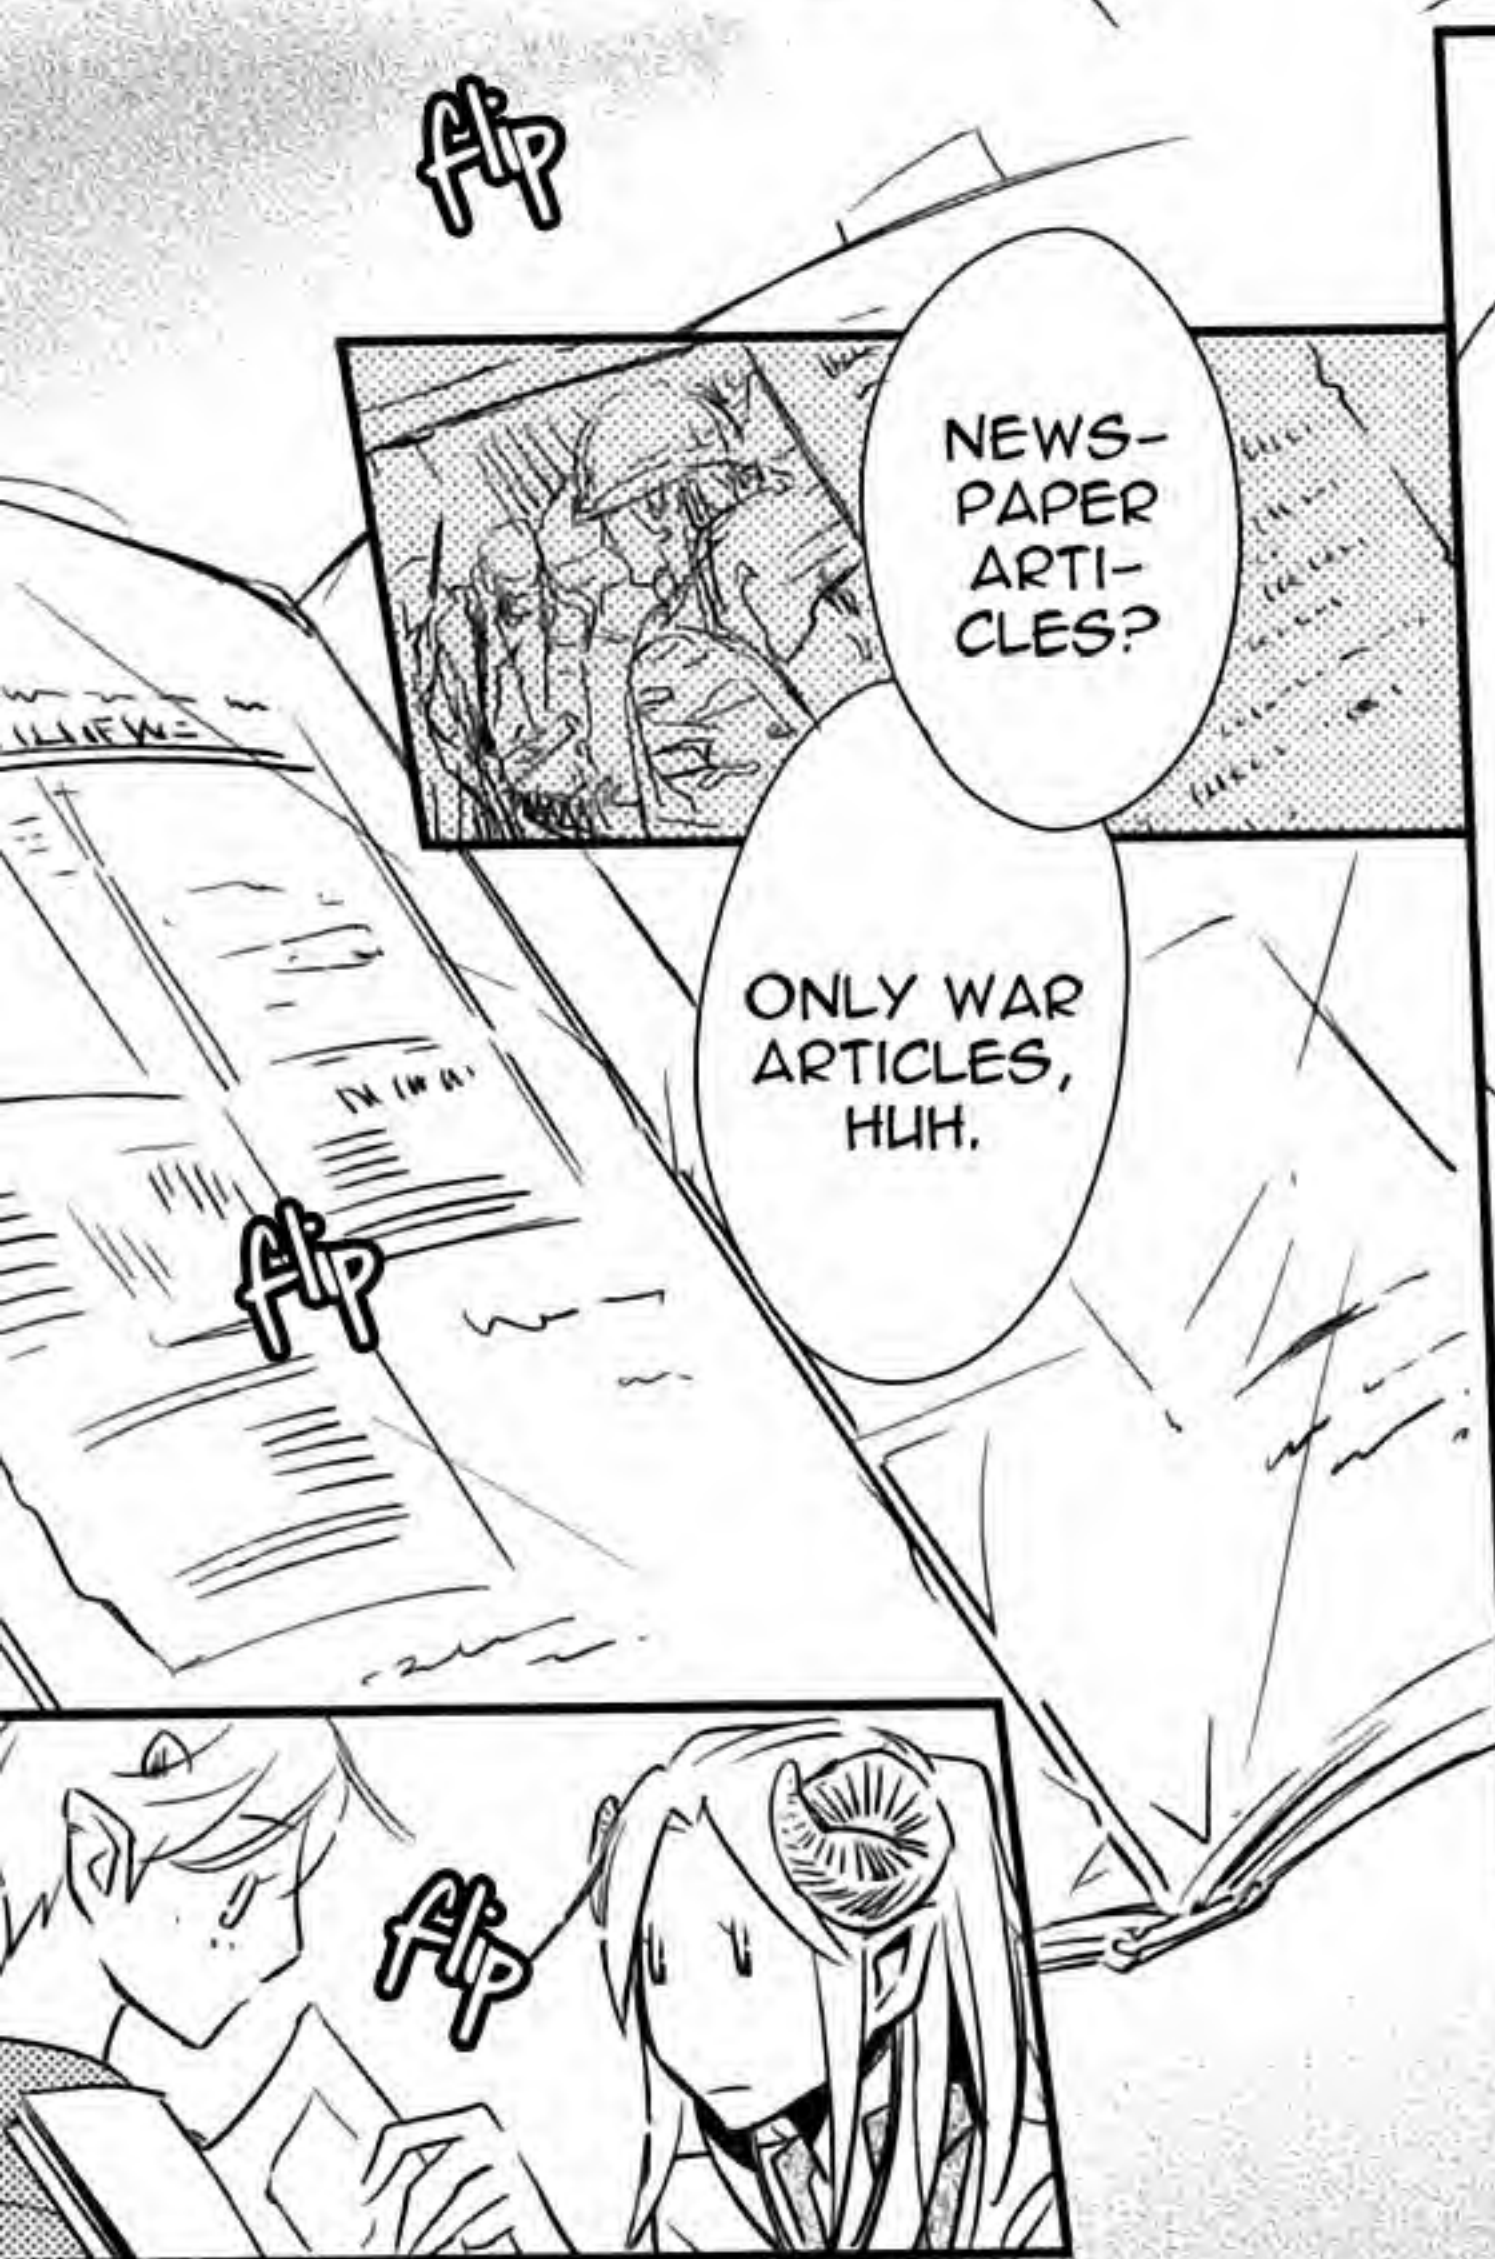

Dr. Eli...

TO THINK HE REALLY HAS HORNS...  
So cute!

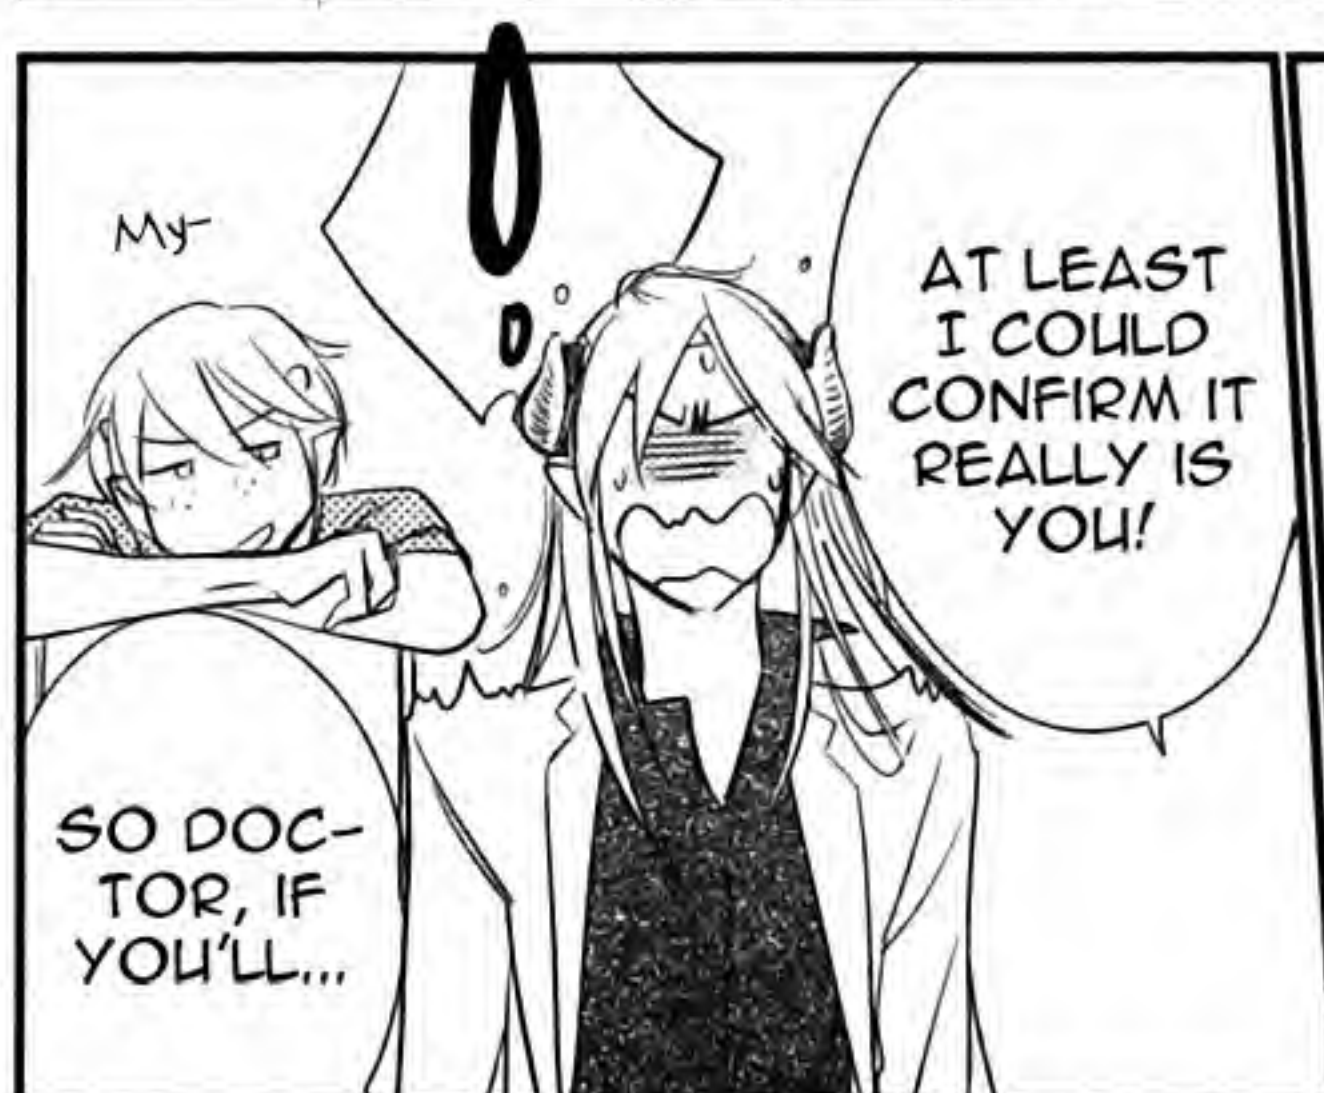

YOU'RE AWAKE...!

ha...

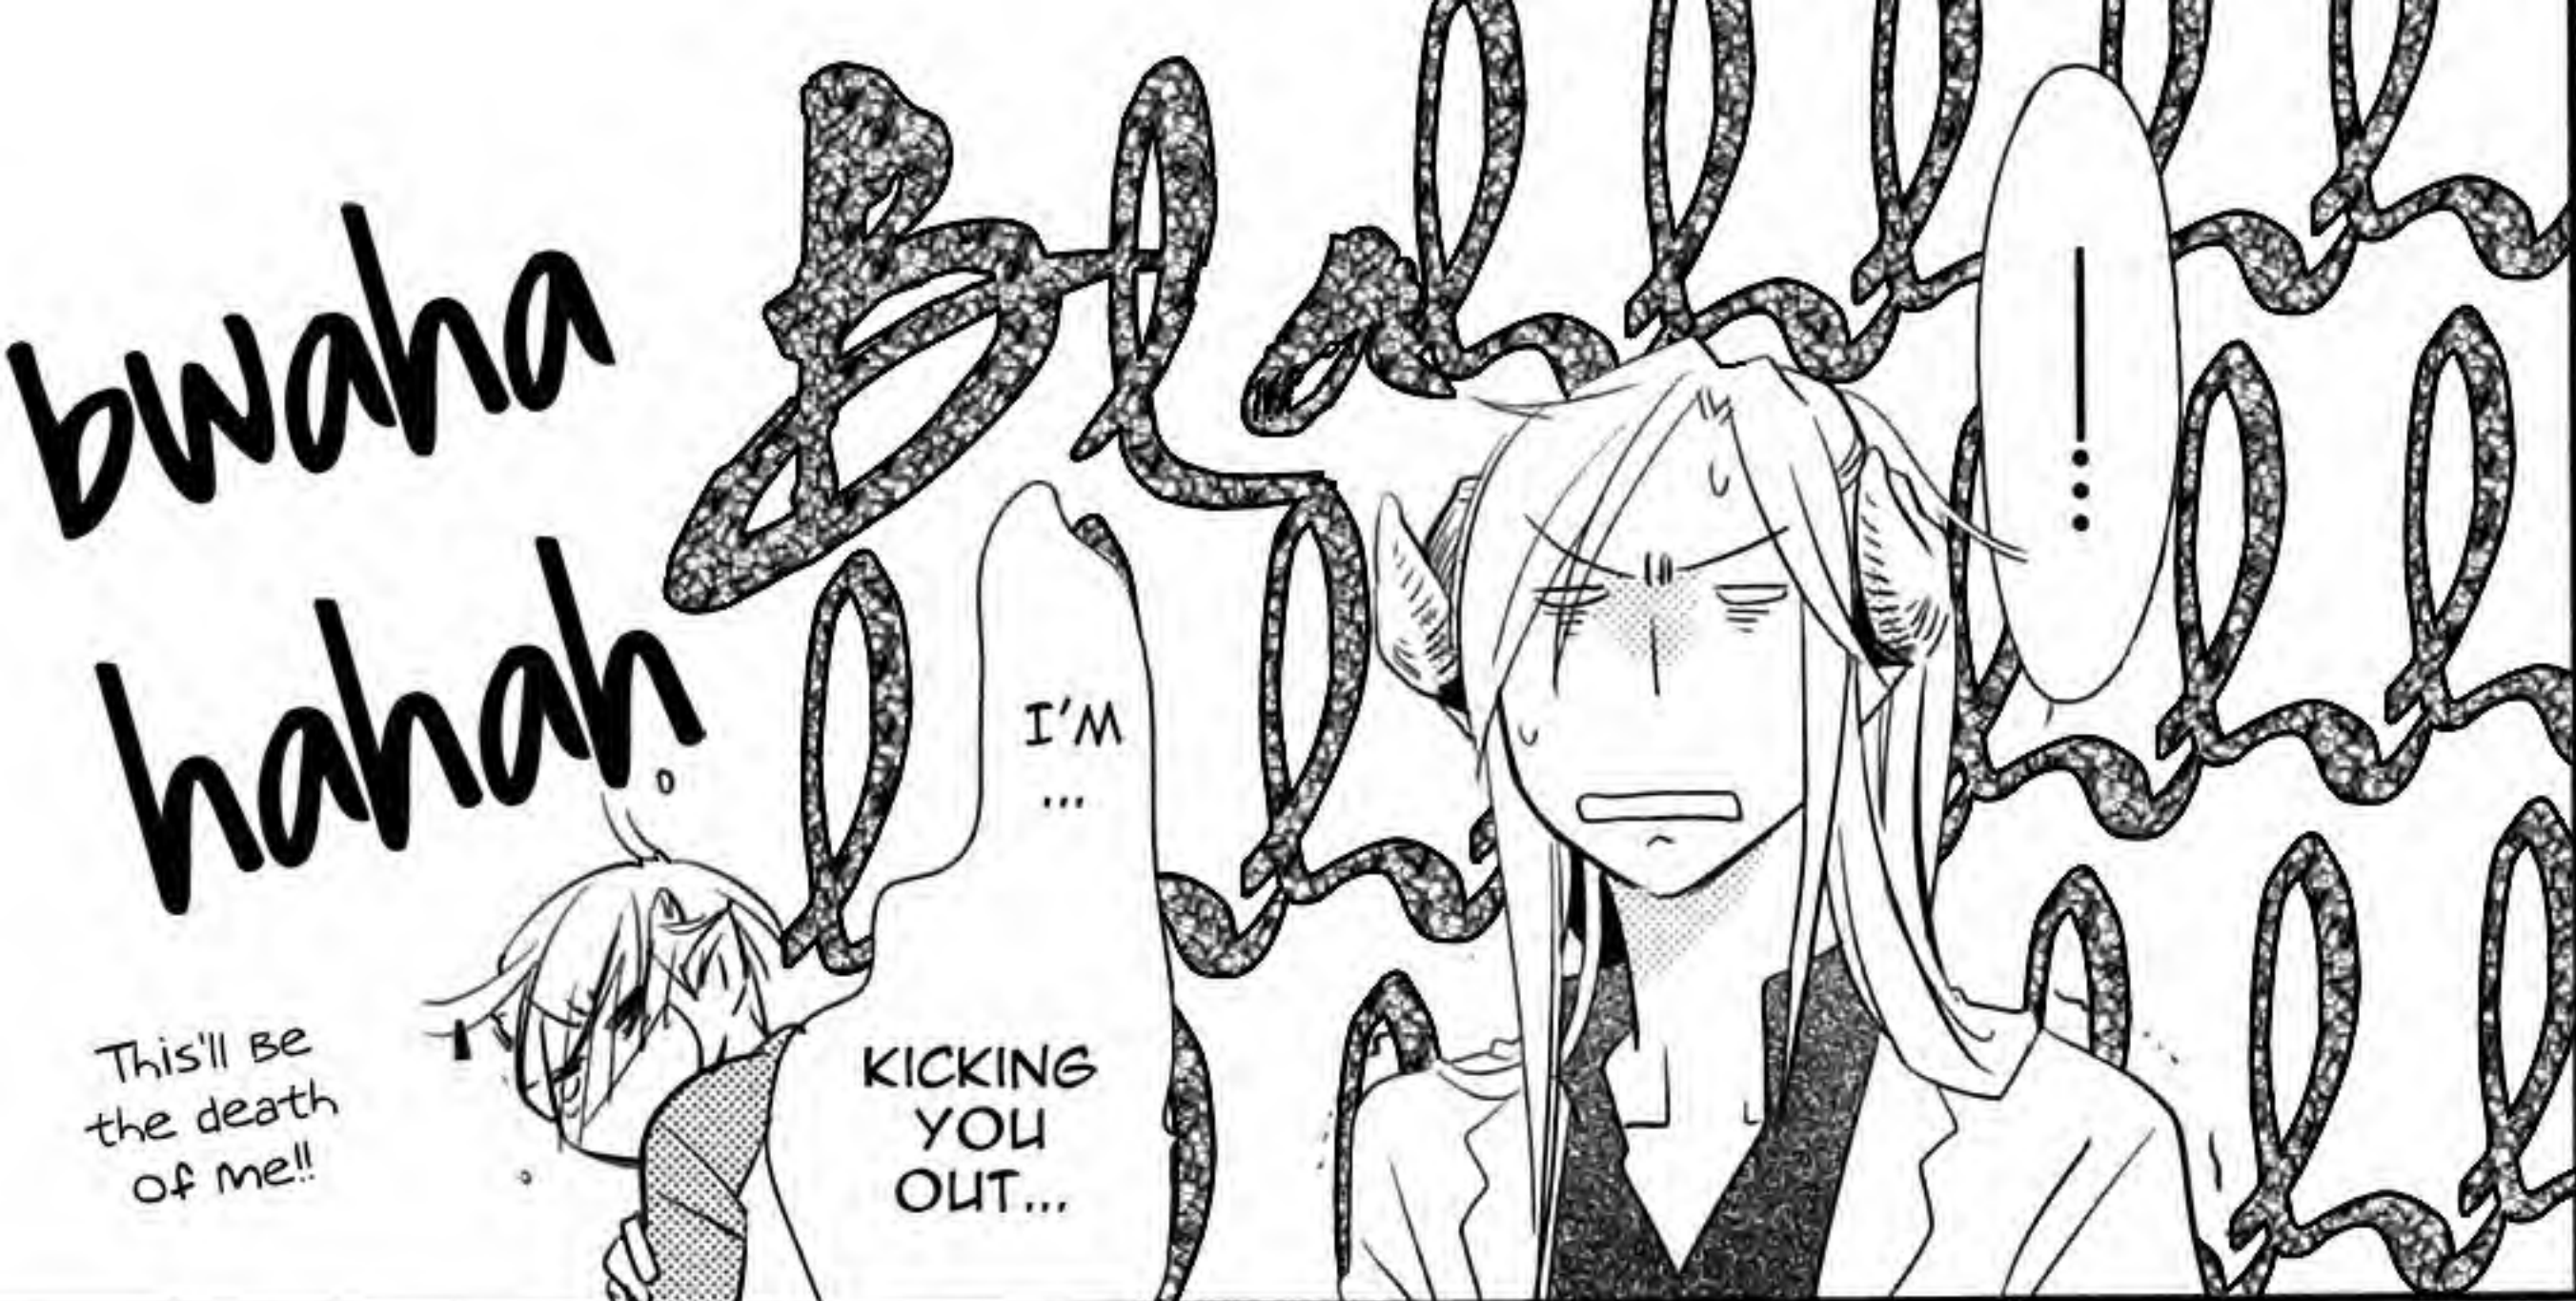

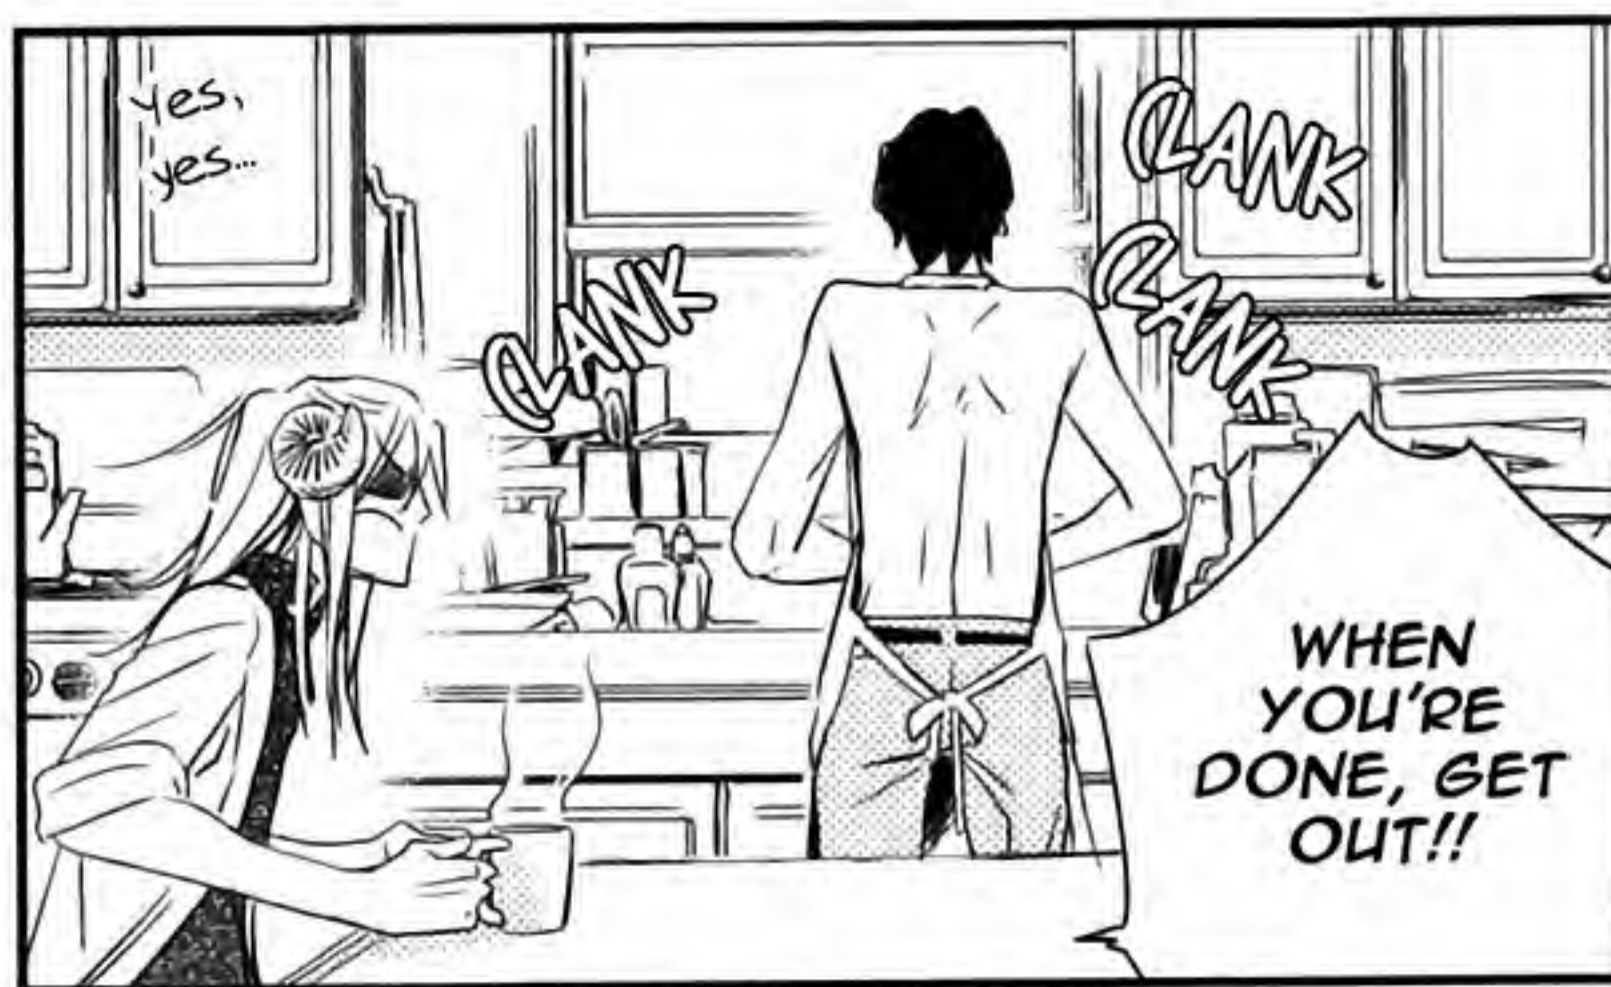

WHE...

breathe

I'LL GET OUT!

I washed the sheets, too!

W-WHEN I'M DONE...

Though-

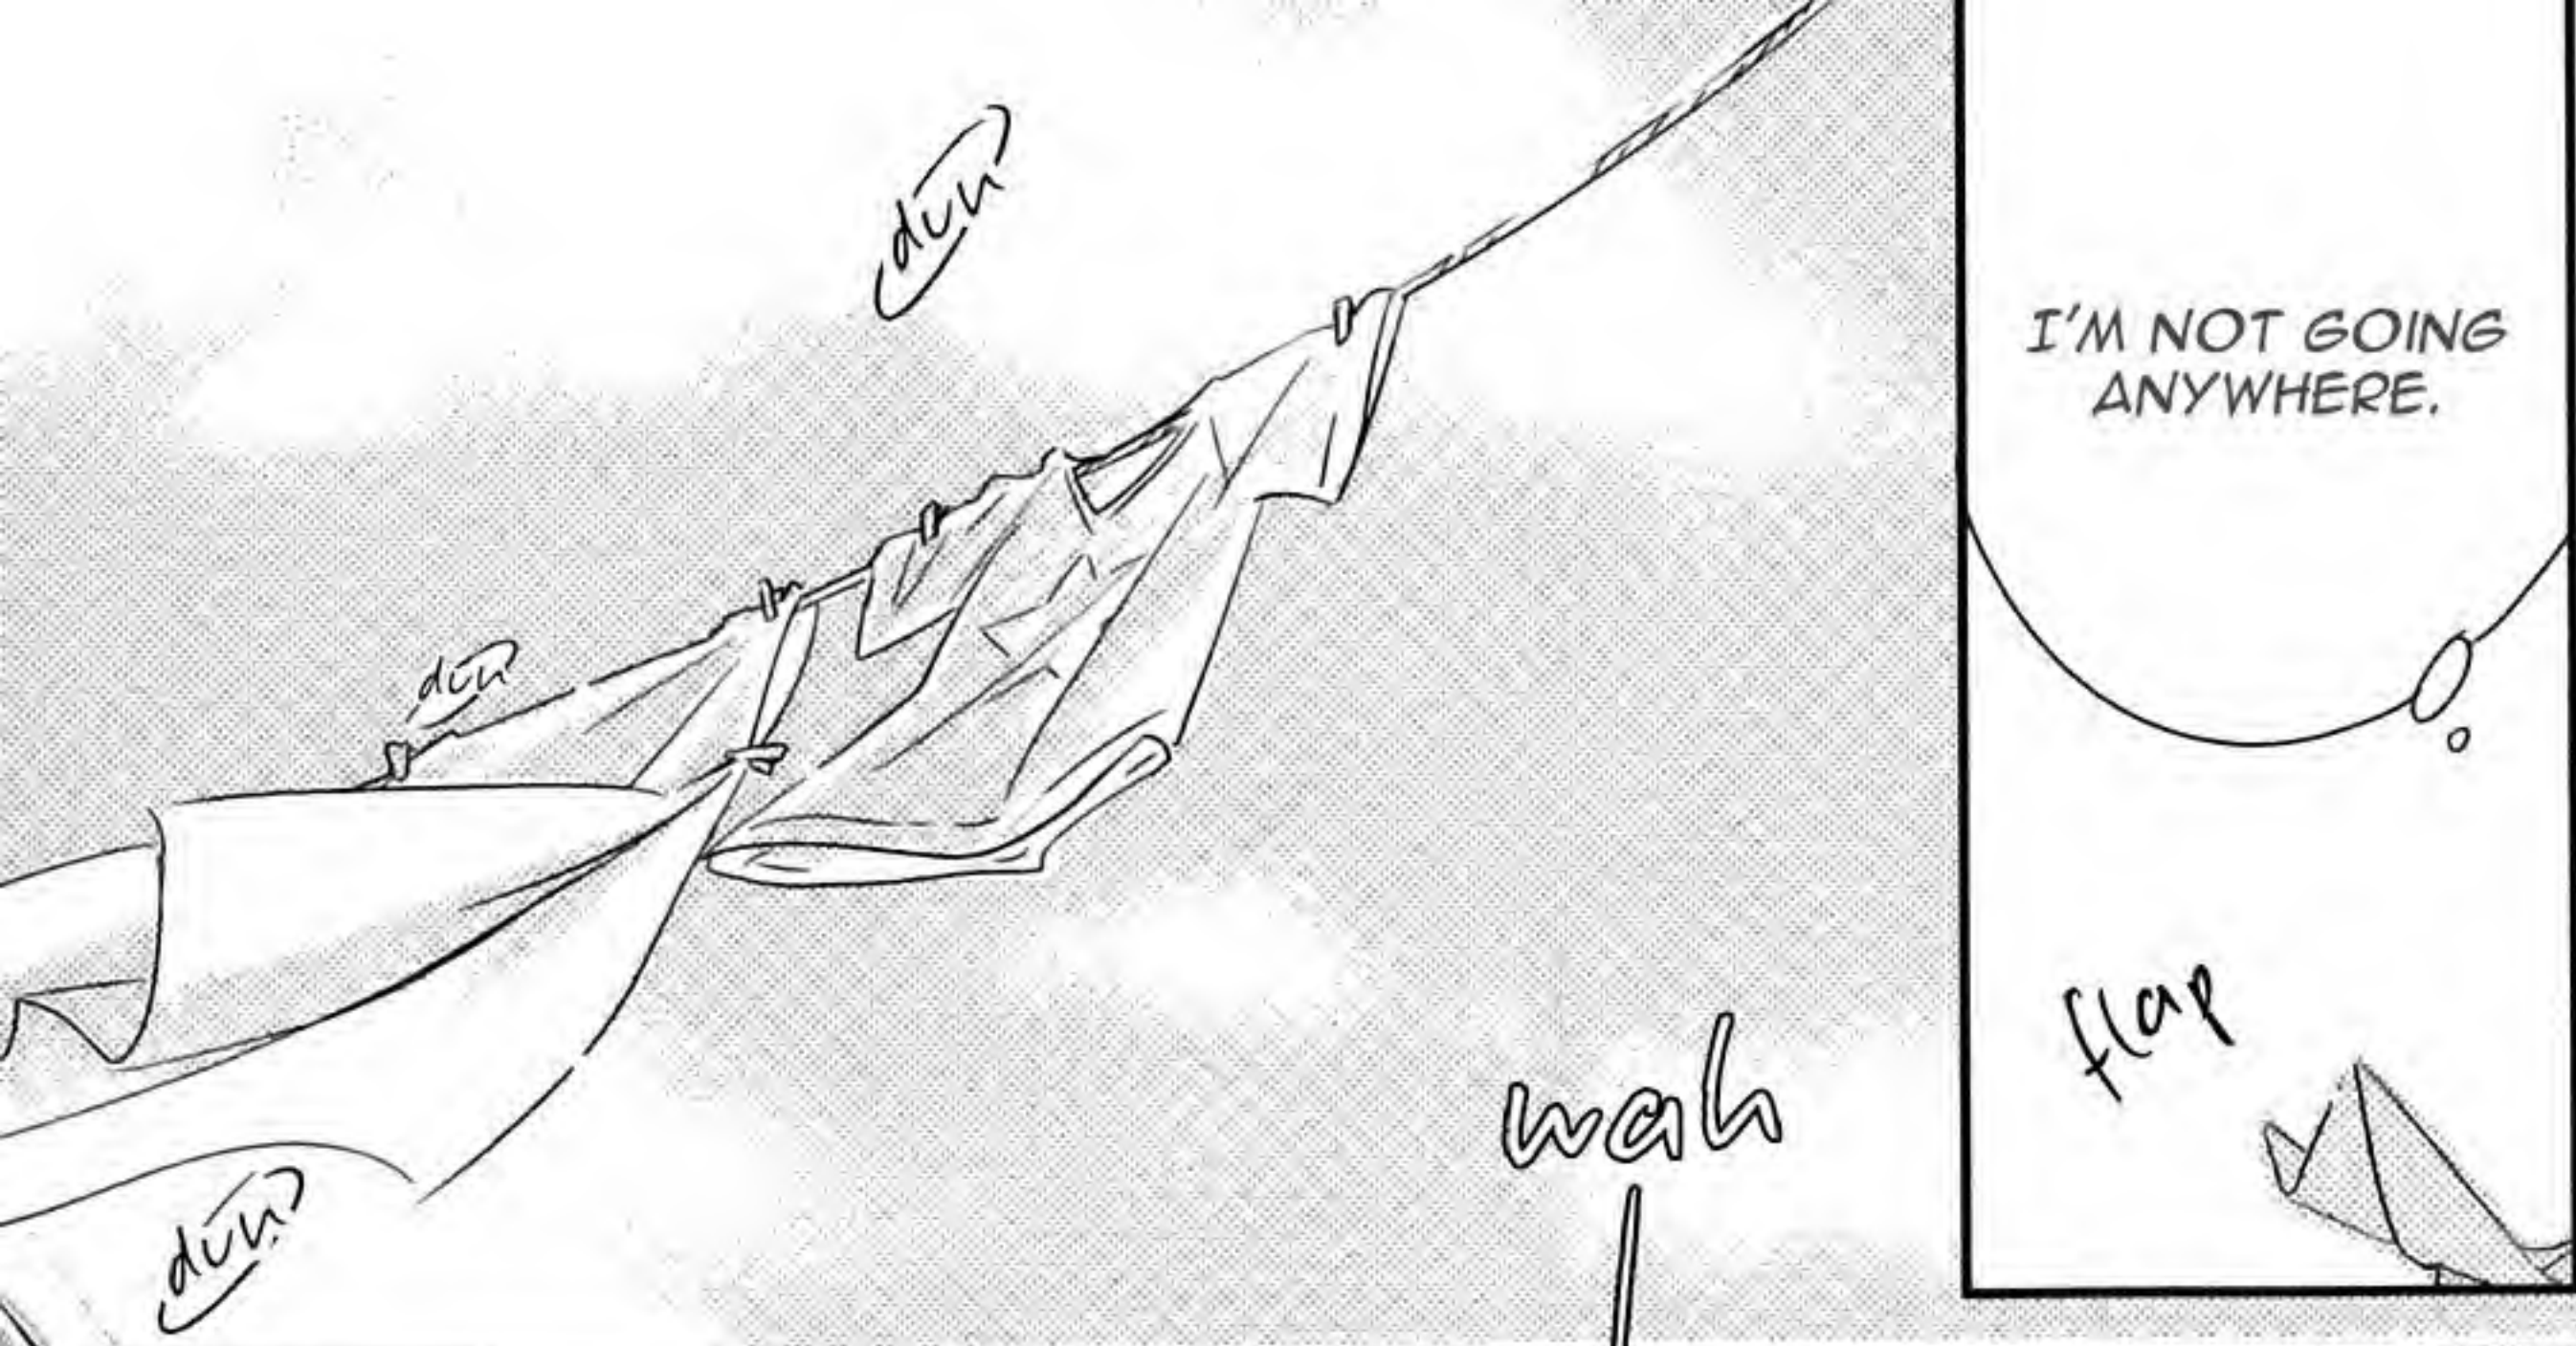

IT'S OBVIOUS...

scary

OTHERS  
HAVE  
PROBABLY  
FOUND  
OUT AS  
WELL.

WHICH  
MEANS  
THE PRESS  
KNOWS.

YOUR  
BOSS  
KNOWS  
AS WELL.

WHAT  
YOU  
KNOW,

IT'S STILL  
AT THE PRELIMI-  
NARY STAGE...

OK, SURE,  
THERE'S  
THIS THING  
WITH THE  
INTERVIEW,  
BUT...

THAT'S  
NOT  
TRUE!!

AND  
SINCE  
YOU  
WON'T  
LEAVE,

WE  
CAN'T  
STAY.

NO, NOT  
THAT!!

I SWEAR  
NO ONE ELSE  
KNOWS ABOUT  
THIS PLACE!!

WHAT  
I WANT TO  
SAY IS, IT TOOK  
ME ALL I GOT  
JUST TO FIND  
YOU.

KEEP ME TRAPPED HERE.

HUH!?

I'M NOT  
A KID.

SEX?

Ok,  
listen...

KIDS  
SHOULDN'T  
SAY STUFF  
LIKE THAT...

CONIA,

NO NEED  
TO TELL  
HIM ANY-  
THING.

WHAT  
ABOUT  
THE IN-  
TER-  
VIEW!?

IF IT'S  
ABOUT THE  
THESIS, I'M  
ANSWERING  
EVERYTHING  
ONLINE.

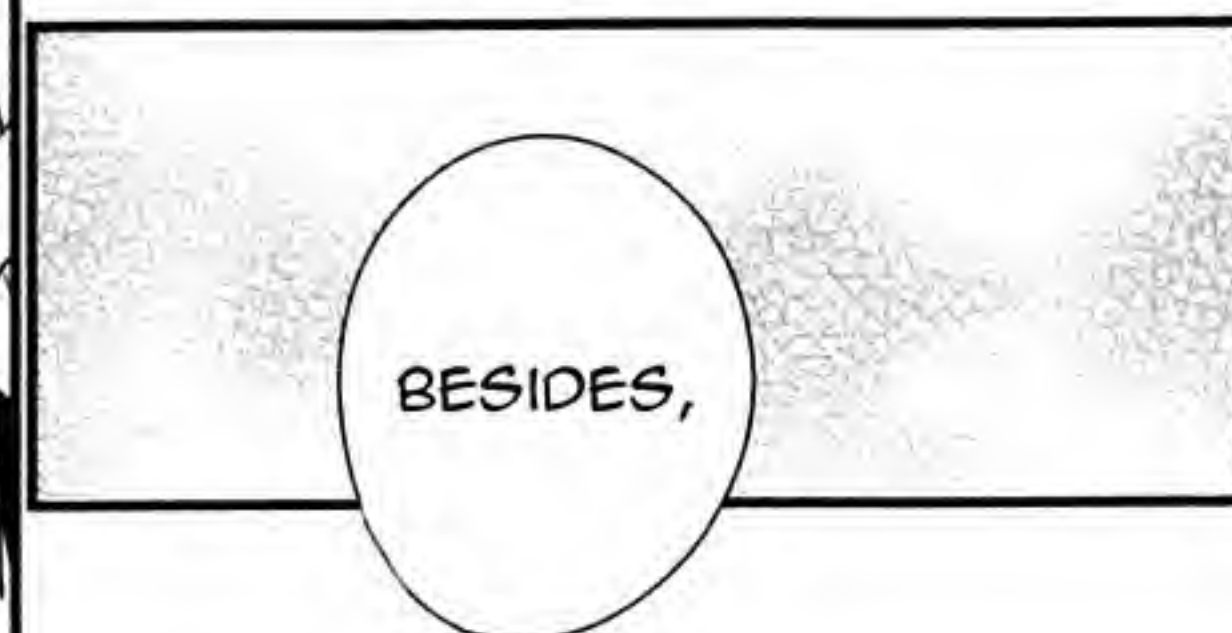

I'M HEL-  
PING THE  
RESEARCH  
ASSOCIA-  
TION, TOO.

Thanks.

THE WAY  
I SEE IT...

IN THE  
LONG RUN,  
IT WON'T  
BENEFIT  
US AT  
ALL.

BESIDES,

PROFES-  
SOR JOSHUA  
FROM FGE  
RESEARCH  
CENTER...

I MET MANY  
PHYSICIANS AND  
MATHEMATICIANS  
WHILE SEARCHING  
FOR YOU.

PROFESSOR  
MITTER FROM  
GERMANY,

Why  
are you  
here?

HONESTLY...  
I DON'T KNOW  
MUCH ABOUT  
MATHEMATICS!

Died You  
Prick!!

Well,  
that's...

WE HA-  
VE STAFF  
WHO UN-  
DERSTAND  
COMPLEX  
STUFF....!

So it's  
fine!!

WHENEVER  
WE STARTED  
TALKING ABOUT  
THE "ALICE CON-  
JECTURE"... THE  
ATMOSPHERE  
CHANGED IN-  
STANTLY.

You might  
have to run  
for your life if  
you get caught  
by this per-  
plexity.

Who  
managed to  
win this...

THOSE  
ARE THE  
EYES OF  
A DE-  
FEATED  
ONE...

It's like a  
battlefield.

Is it some-  
thing that's  
daemon-like?

AND TO  
THINK THAT  
DOCTOR...

IS NOW IN  
FRONT OF  
MY EYES.

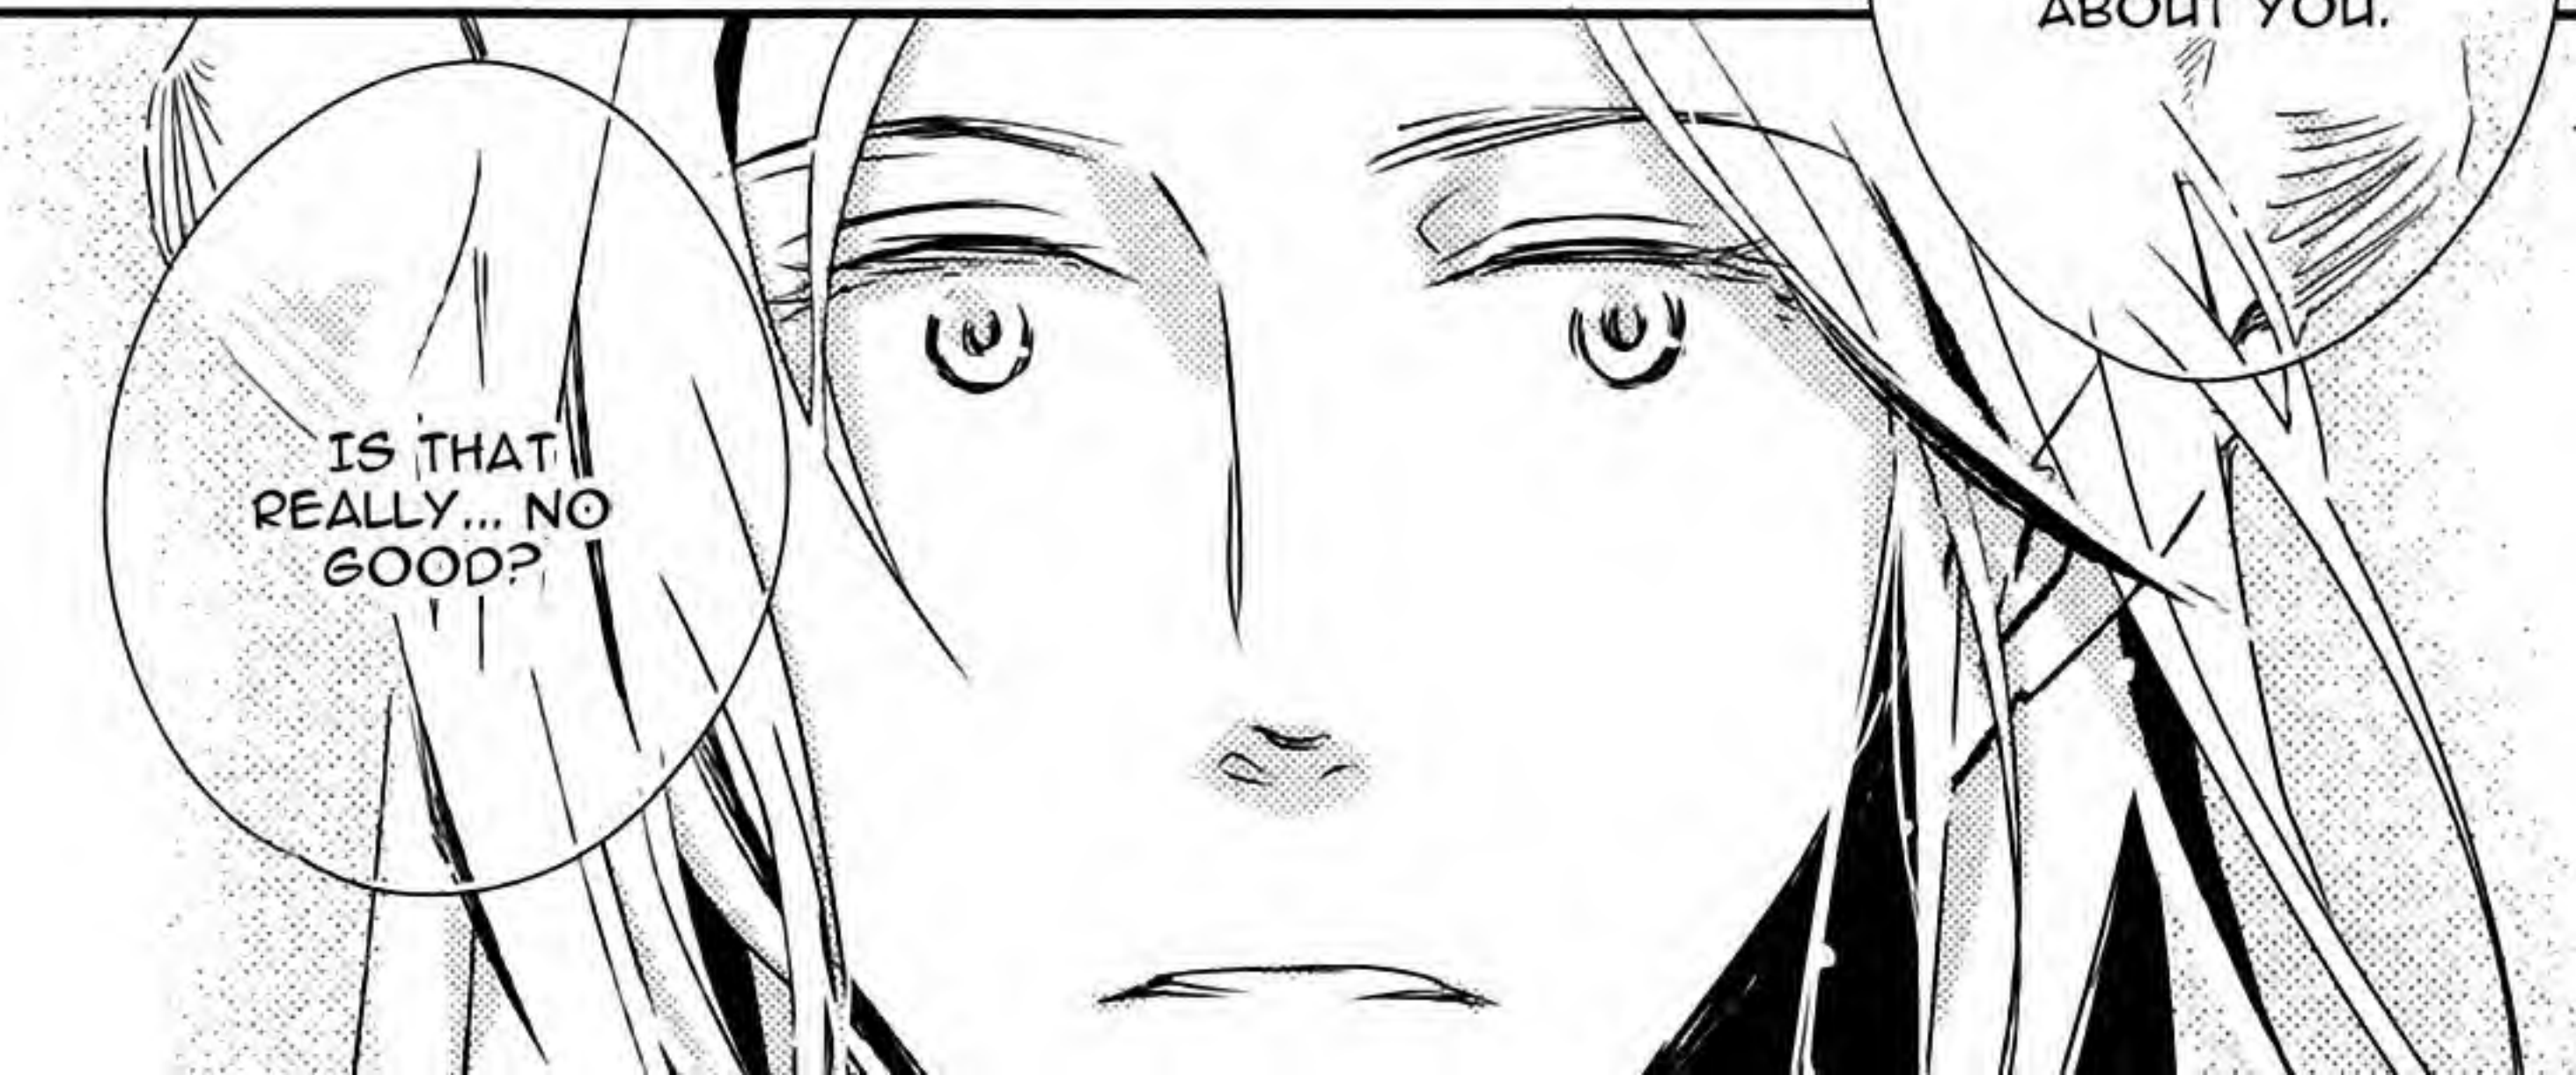

I WAS  
OBSESSED  
WITH FIN-  
DING YOU...

FOR THE  
LAST HALF  
A YEAR.

DR. ELI  
WHO SOL-  
VED A 100  
YEAR-OLD  
MYSTERY...

I WANT TO  
KNOW MORE  
ABOUT YOU.

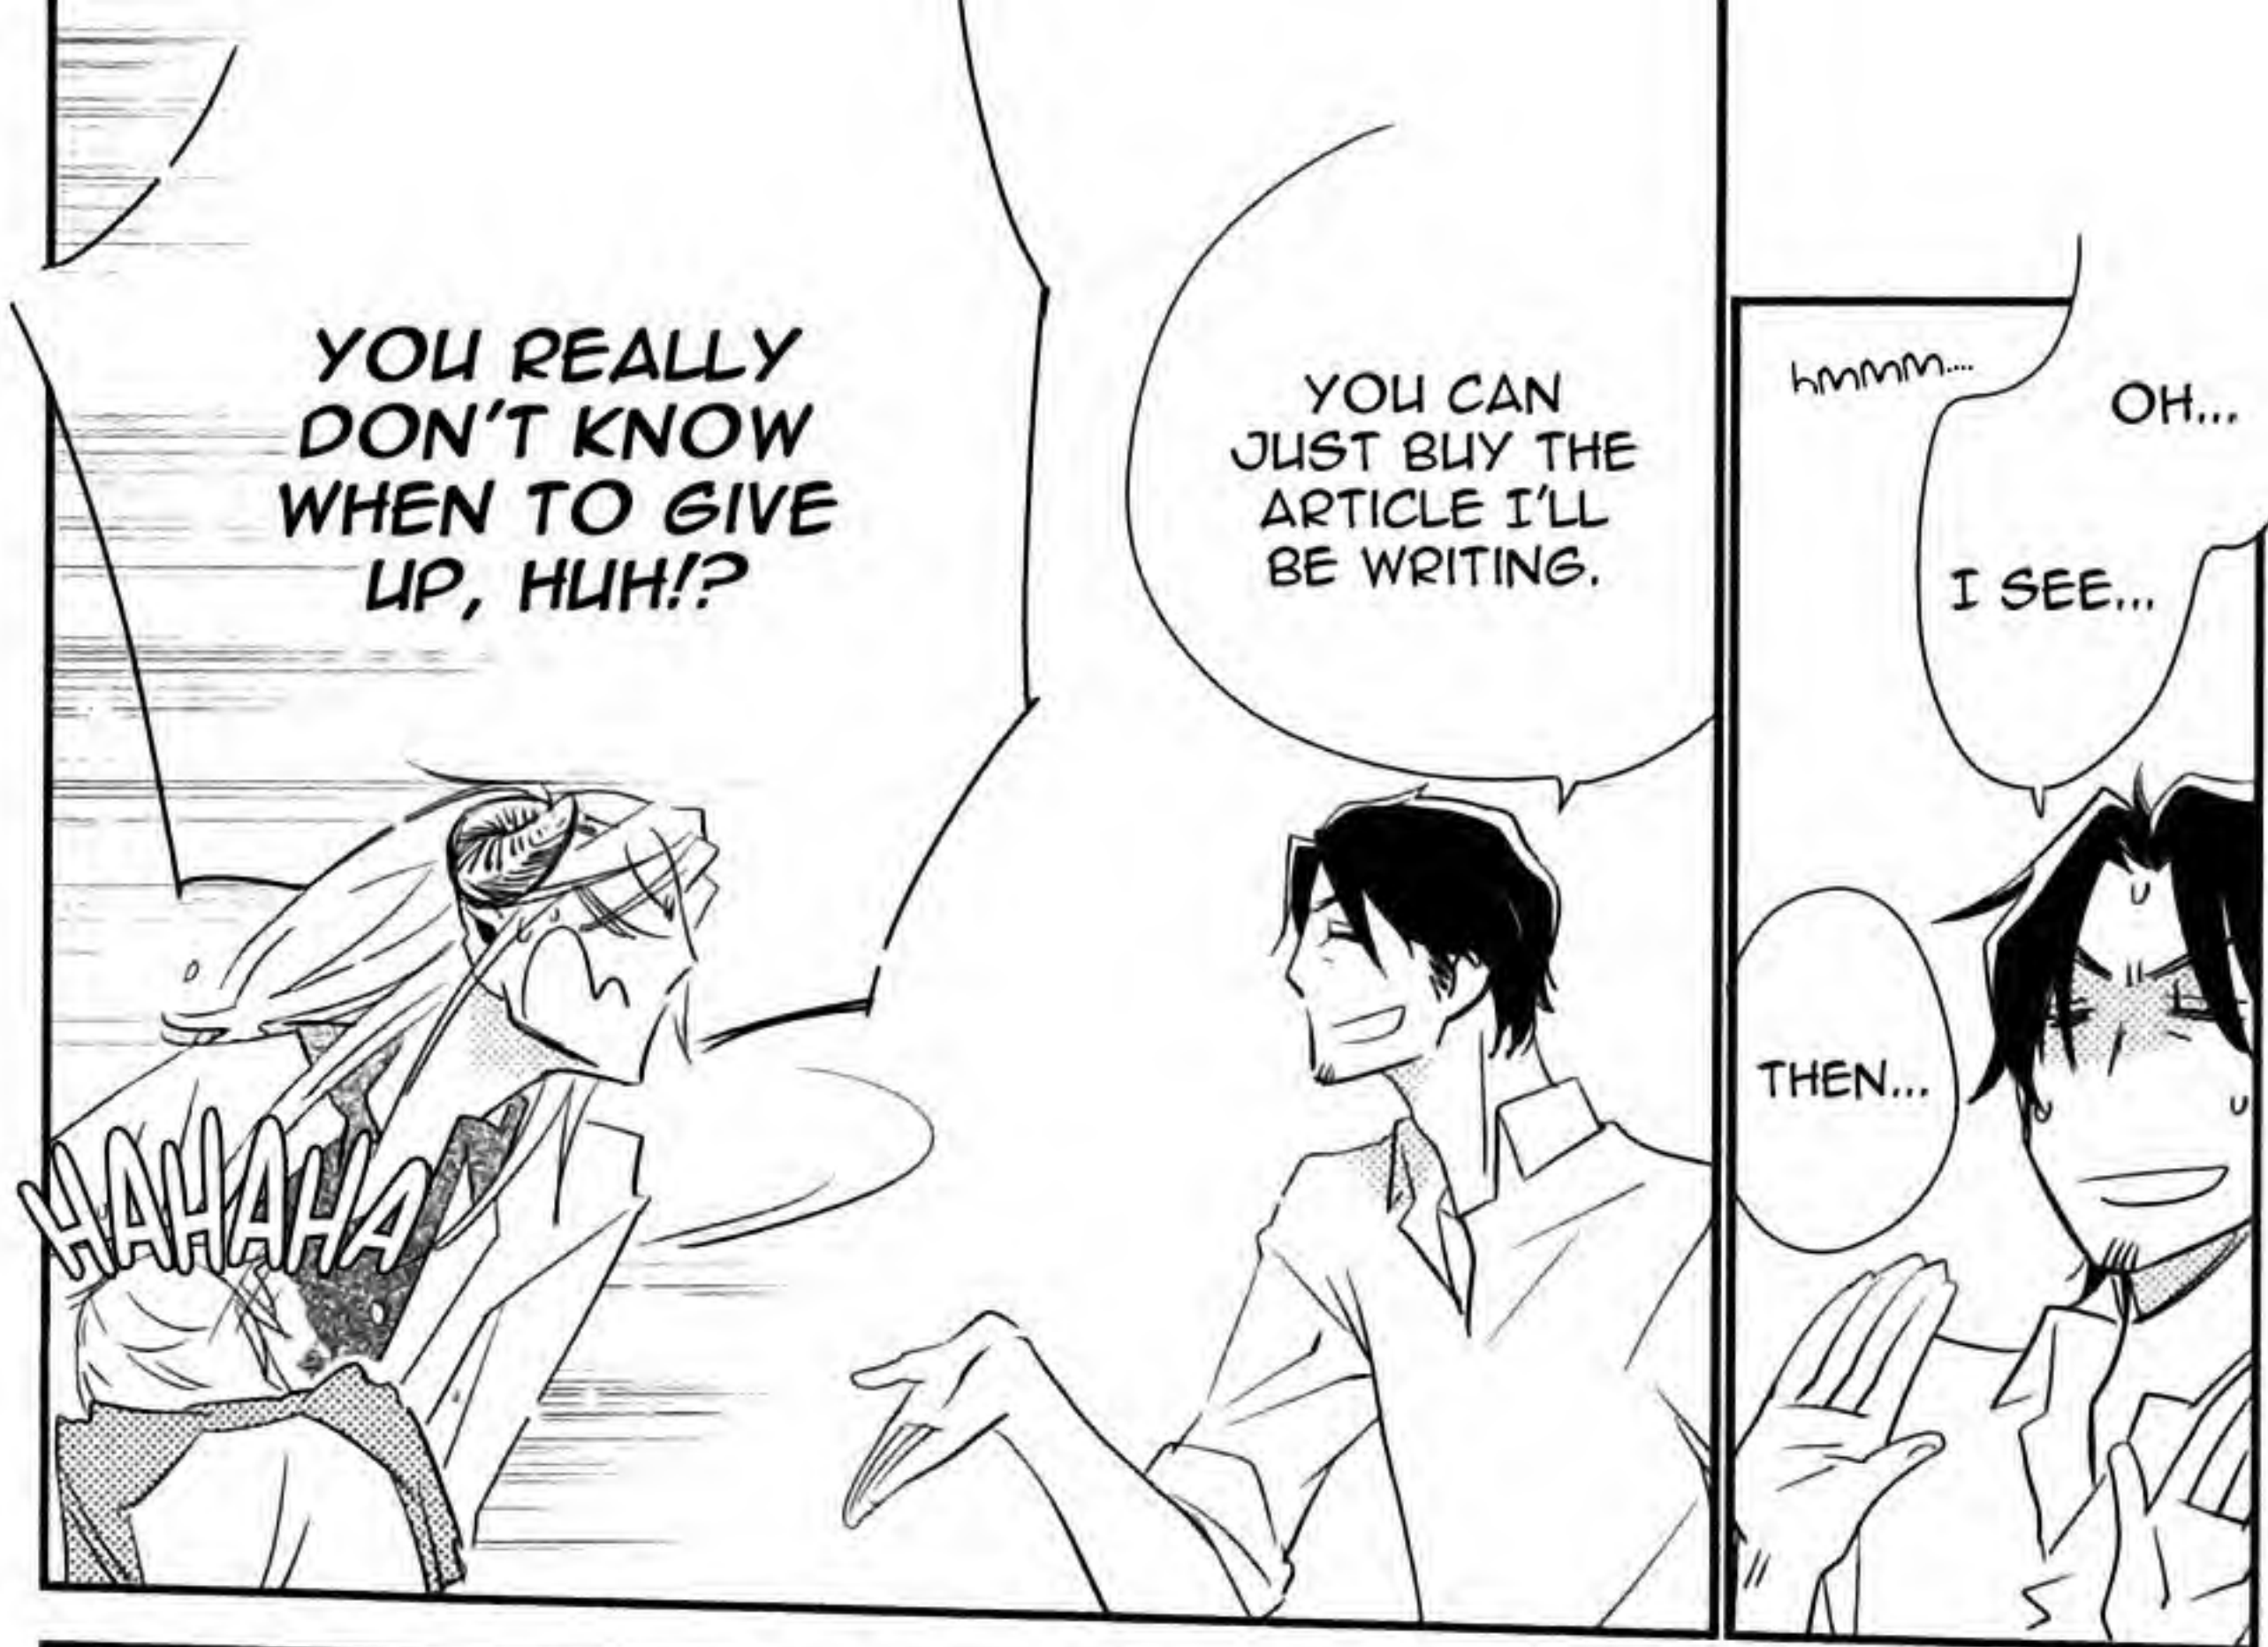

IS THAT  
REALLY... NO  
GOOD?

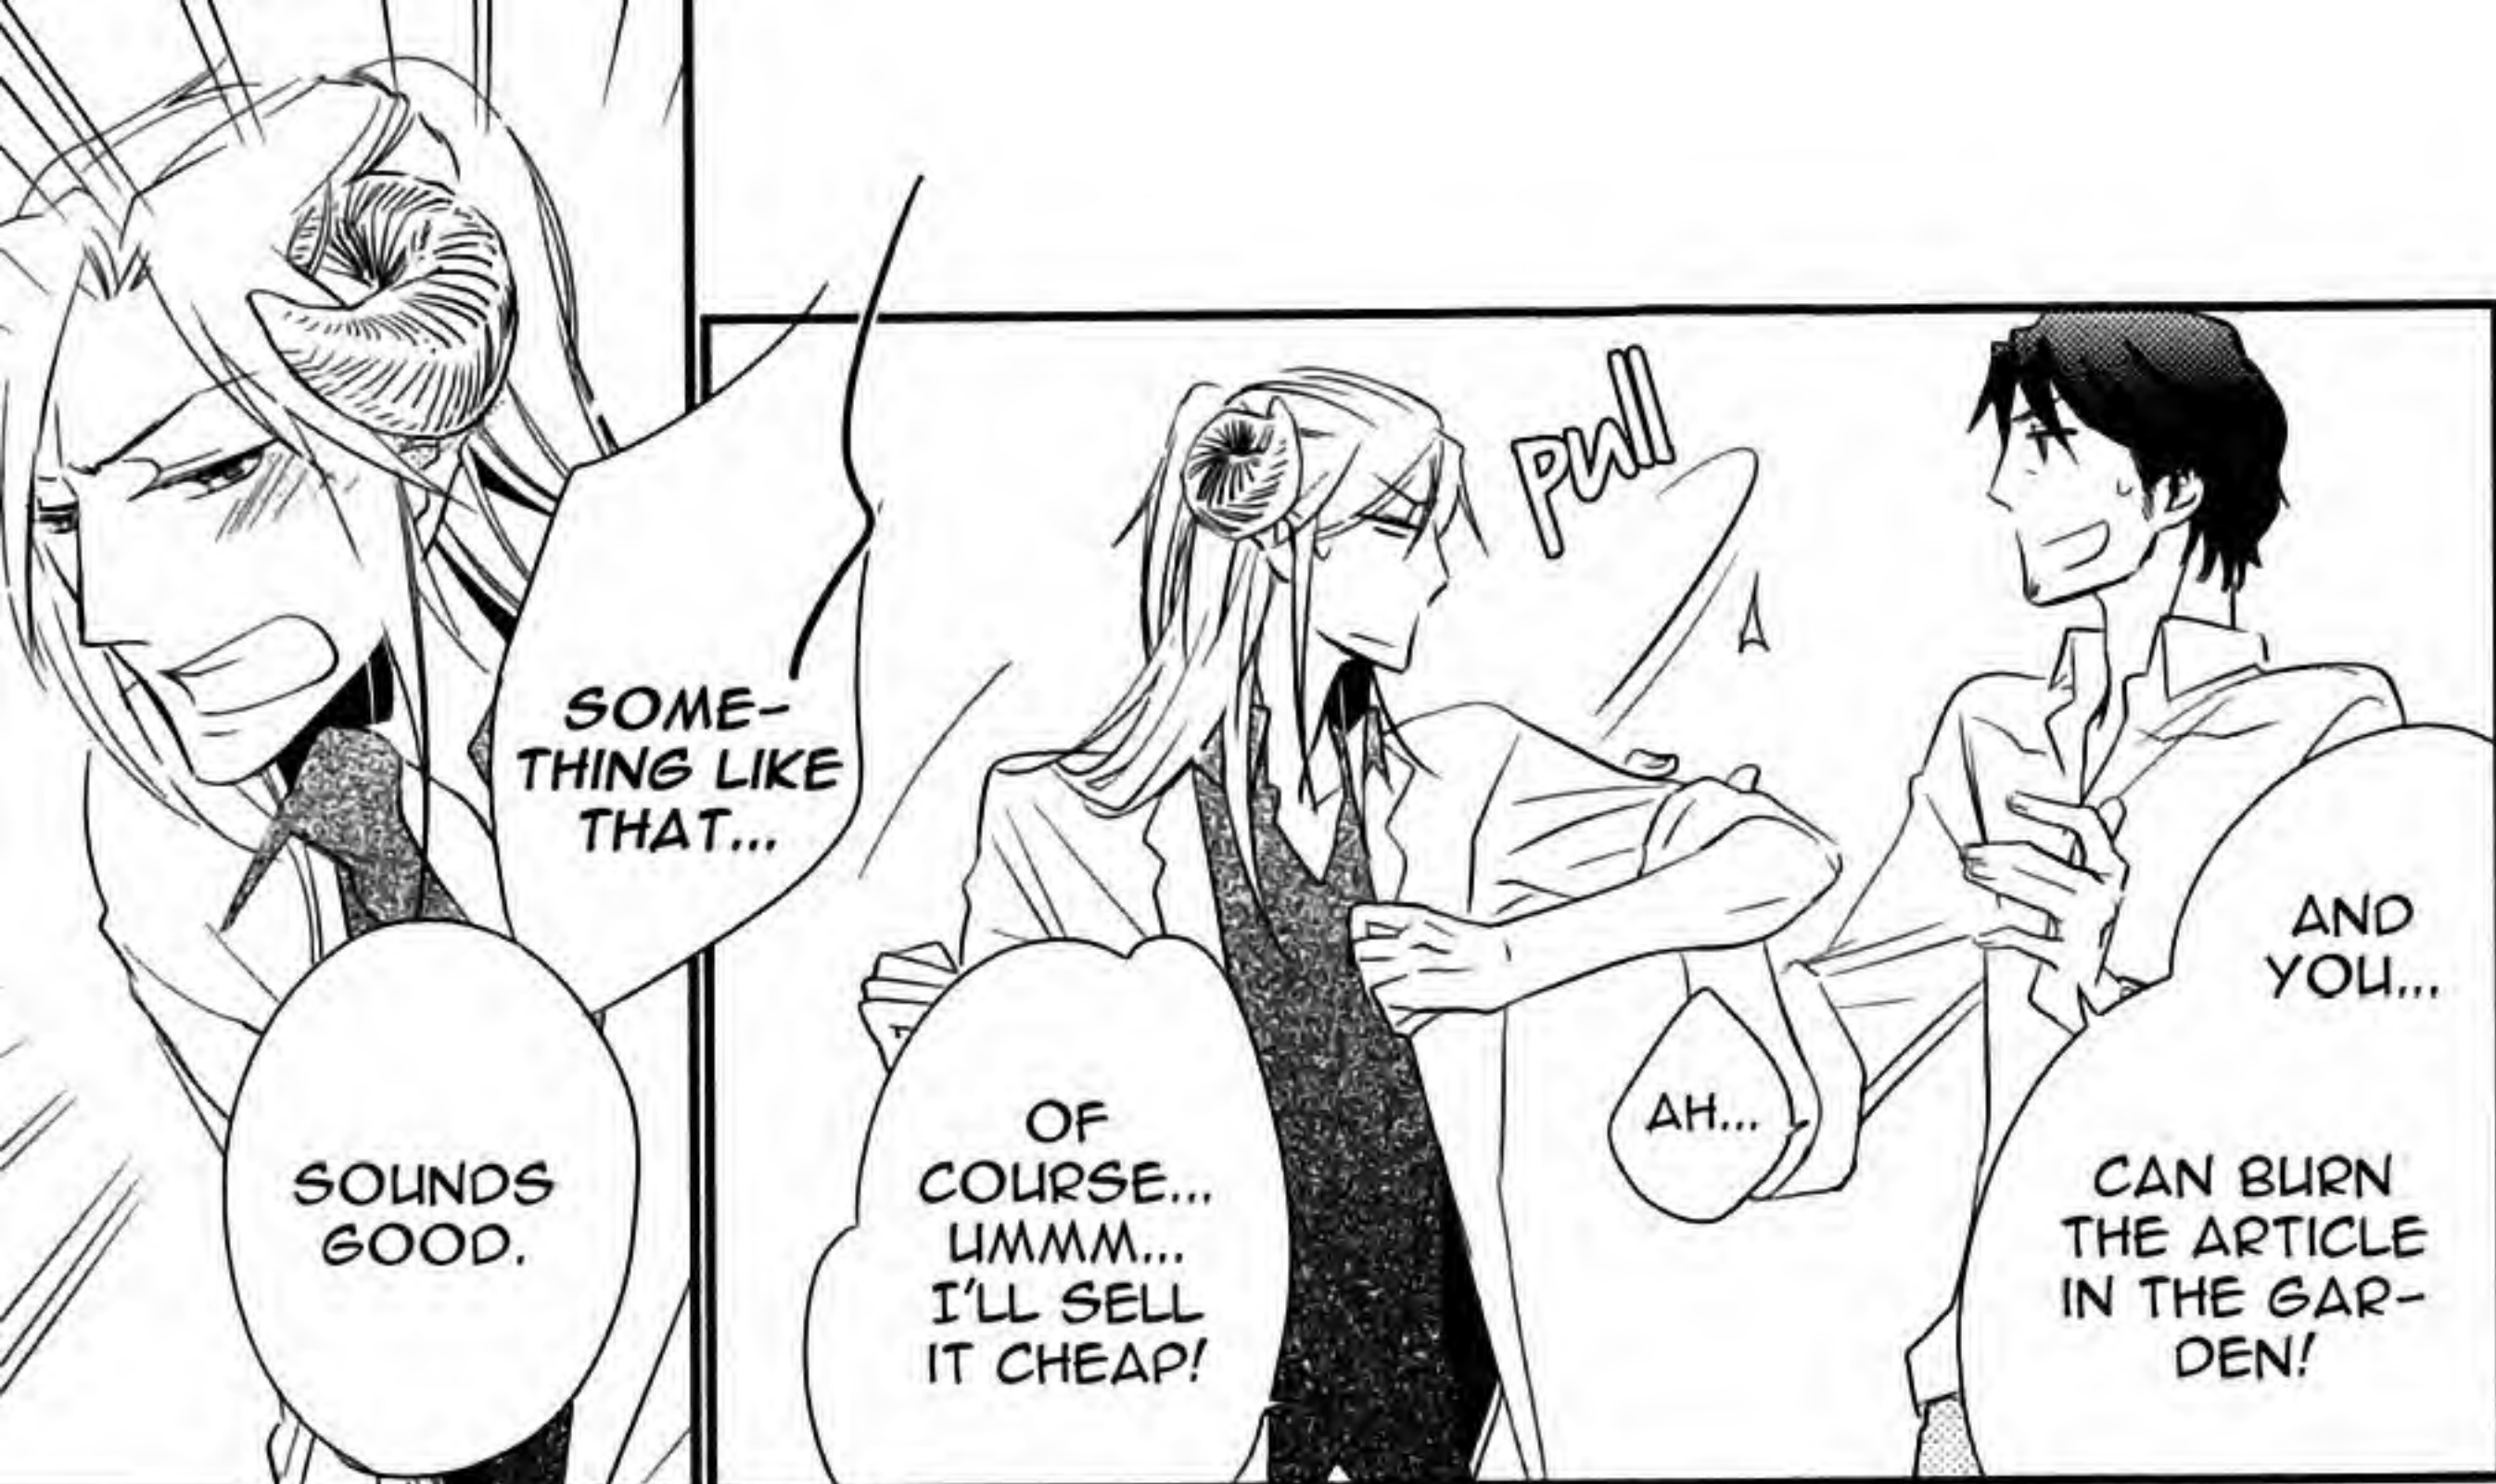

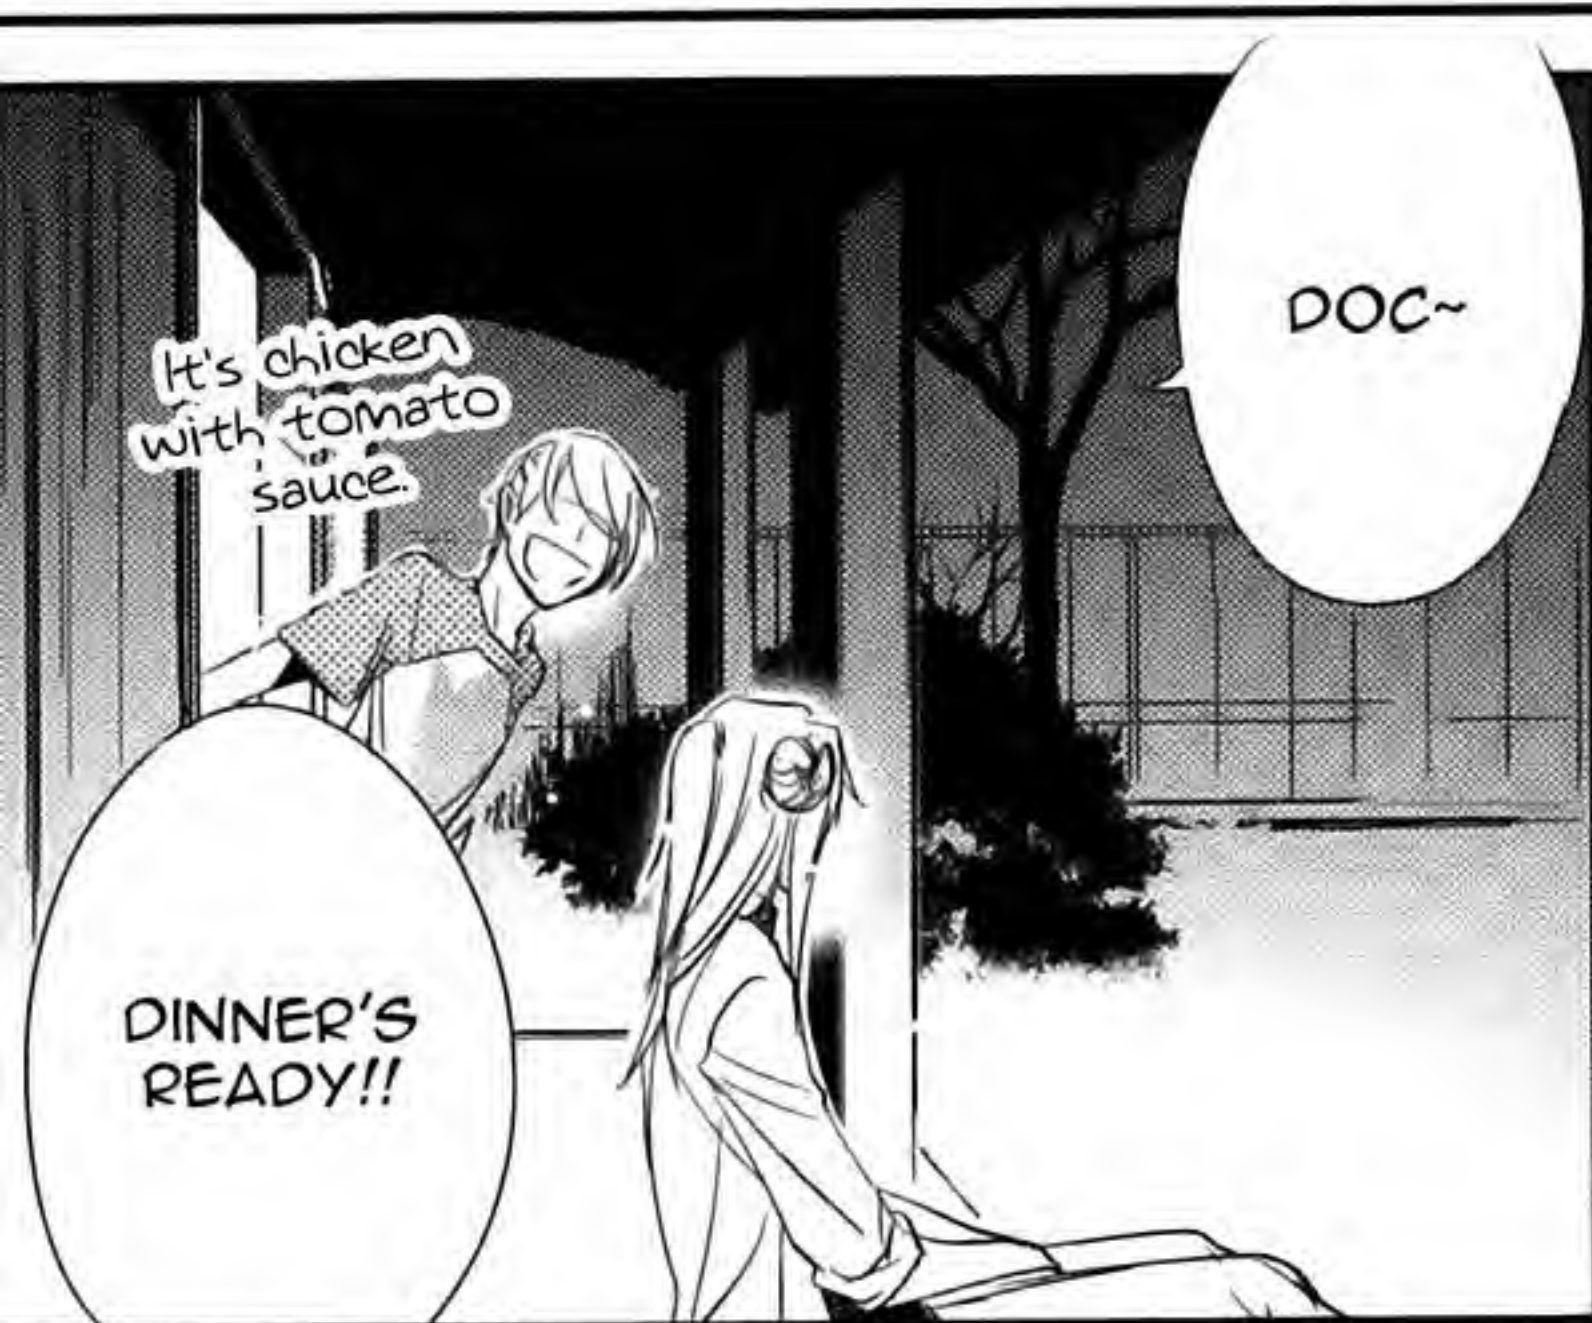

YOU  
KNOW...

RUNNING  
ALL THE  
TIME GETS  
TIRING.

PEOPLE  
AROUND  
HERE ARE  
NICE AND  
IT'S A SAFE  
NEIGHBO-  
HOOD.

YOU DON'T  
WANT TO  
MOVE  
EITHER,  
DO YOU?

Dinner's  
ready!

AS I SAID,  
JUST DUMP  
THAT BEARDY  
INTO THE RI-  
VER IF ANY-  
THING HAP-  
PENS!

Don't  
sweat it

... WELL IT'D  
BE A WASTE  
TO LOSE A  
HOUSE WITH  
A PRIME  
NUMBER...

I'M NOT  
"BEARDY",  
IT'S HIDE!

Hmpf

HURRY UP,  
IT'LL GET  
COLD.

Wah~  
dinner!

OH,  
AND  
DOC...

WHAT?

I HEARD  
I'M YOUR  
TYPE.

AS...

blush

Seems like this  
will be a piece  
of cake...

AS  
IF YOU  
ARE!!

Wow,  
you're  
all red.

he~

DON'T!

I'M  
THROWING  
YOU INTO  
THE RIVER!!!

Ch1 END
